Lifetime Limited Warranty

ANTALYA

PEAK PERFORMANCE

The Antalya showcases Grade 4 walnut stocks and utilizes Inertia Piston with *Inertia Plus Rotating Bolt* action. Both models come with interchangeable MaraPro chokes and options for 28″ or 30″ barrels. The Elegant variant is distinguished by its aesthetic appeal and precision aiming facilitated by a TruGlo Fiber optic sight, while the Jet Black model captivates with its polished black receiver, designed for hunters and shooting enthusiasts who prioritize functionality alongside style.
